

Nexa NC 1200

Linear Imager Scanner

Looking for a barcode scanner you can count on, at a price you can afford? Look no further than the Nexa NC-1200!

The NC-1200 ticks all the right boxes. It is robust, with a 1.5 metre drop rating, has over 20cm read range on a 13 mil barcode, (a typical size used in retail), includes a hands free stand and it scans ultra fast due to it's 32 bit CPU.

The NC-1200 also gives you peace of mind when it comes to small barcodes, as it has the ability to scan to a barcode classed as a 3 mil barcode, where most of it's competitors will scan only down to a 5 mil barcode.

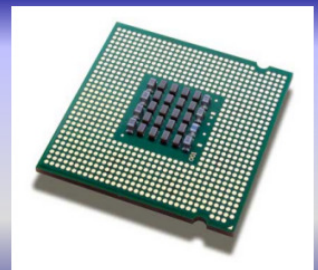

3

year replacement warranty

Able to scan tiny barcodes

Ultra fast due to it's 32 bit CPU

* Either USB, Keyboard Wedge or RS232 interface cable supplied. Interface change can be done by replacing the cable.

Nexa NC 1200

Linear Imager Scanner

NC-1200 Specifications

Optical

Light source	Red LED (660nm)
Resolution	3 mil
Depth of Field	10~390mm
Scan rate	270 scans / second
PCS	=> 35%

Electrical

Voltage	+ 5V \pm 5%
Scanning current	< 110mA
Standby current	< 90 mA

Environment

Operating temperature	0 °C to 50 °C / 32 °F to 122 °F
Storage temperature	-20 °C to 60 °C / -4 °F to 140 °F
Operating humidity	5% ~80%
Storage humidity	10% ~90%
Shock resistance	1.5m drops

Physical

Weight	110g
Dimensions	190mm (L) x 60mm (W) x 54mm (H)
Housing Material	ABS plastic

General

Interface	KB wedge / USB HID / RS-232
Barcode supported	UPC/EAN, Codabar, Code 39, Code 93, Code 128, Industrial 2 of 5, Interleave 2 of 5, Matrix 2 of 5, MSI/Plessey, Code 11, code 32, Chinese Post, Telepen, RSS (option)
